Accessibility

The building itself is fully accessible for buggies and little legs, with lifts and rails throughout. We have toilets on all floors, baby changing facilities on the ground floor as well as full adult changing facilities on the first floor. For more information about accessibility in and around The Atkinson, please check our website.

Prams and buggies

Although we do not have a specific buggy park, the staff are here to help you find somewhere safe for your equipment. Just ask our helpful team.

Baby changing facilities

We have baby changing facilities on the ground and first floor within our disabled toilets.

Baby in Arms Policy

For all our children's shows, children aged 12 months and under can sit on their parents or guardians lap for free, for children aged over 12 months usual ticket prices will apply and a seat will be allocated. The Atkinson retains the right to exclude babies in arms for any performance.
