

EAGLE Comic, Hero and Villain Mask (Dan Dare and Mekon)

What you need:

- Scissors
- Thin cardboard
- Pencils
- Paint and paint brushes
- Elastic string

(Adult Supervision Required)

Step 1

- Using a large circular object or compass draw a circle onto the piece of card. Make sure that it fits within the card.
- Repeat this on a separate piece of cardboard.

Step 2

- With the help of an adult cut out the circle shape carefully.
- Draw the design of the characters, then cut out the excess cardboard from the sides.
- Before painting, cut out the eye holes (you may need adult help with this).

Step 3

- Paint your masks in any way that you want.
- Add in as little or as much detail as you wish.
- Allow time for the paint to dry.

Step 4

- Pierce a small hole in each ear.
- Thread your elastic string through the holes and secure with a knot.
- Your face masks are now ready to wear!

Ideas

- You can create masks based off any of your favourite characters.
